CHURCH is the primary equipper of parents.
PARENTS are the primary disciplers in the home.

As you consider what resources to use in your home, *make sure you begin and end with the Bible*. God's word should be the main source of wisdom in your home because it's what God has given us to know and follow him. If you're not using the Bible, start with that. There are many resources you can use to disciple your children as well. Do not be overwhelmed by the choices- make a commitment to start with one thing that points your kids to Jesus. Consistency is the key when it comes to passing on your faith to the next generation. Just do it:)
