

MORNING STAR FELLOWSHIP
LOVE GOD SERVE ALL

Our theme for 2021 was STAND STRONG.

2021 was a year of political unrest, inflation, riots, vaccine mandates, religious and medical exemptions, loss of employment, inflation at a level not seen in 40 years, masks, shutting down businesses, school board meetings full of chaos, critical race theory, and even Christian believers calling out “sides” they felt were correct. It’s been confusing and even discouraging depending on your perspective.

In Matthew 24, Jesus was being asked by His disciples, "when will the end of the world be? " Of course no one knows the day or the hour, but Jesus did give us some signs to watch out for, along with prophecies that are being fulfilled. Here’s what we do know, as believers we are called to OCCUPY until HE comes. That means we are to actively live out the Gospel and share the great news of Jesus! If there is anything we can rely on during these times, it is JESUS.

We are so thankful for God’s hand on the ministries of Morning Star Fellowship. This past year was full of God’s amazing provision and miracles. Together WE gave more to missions both here and abroad than we ever have before. You were SACRIFICALLY GENEROUS. We have a culture of serving our community. Monday Night Meals are back full force and open to “whosoever will may come”. We helped Haiti face a natural disaster, sent money to rescue those entrapped in sex slavery, went to the streets of Philadelphia with our ministry partners at the Dream Center, and held outreaches in our local area. You helped us live out our mission of being HERE FOR OTHERS and HERE TO SERVE.

Most importantly, we as a church believe and know that everything hinges on this one truth, It's ALL ABOUT JESUS. As of Jan 2021 we have had an increase of 11% in Quakertown and 30% in Pennsburg in our Sunday worship services. During that same period, there were 59 people who invited Christ to be their Lord and Savior. 35 people were publicly baptized and 73 of our attenders decided to take the step of membership, which means they committed to being ALL IN! Praise God that those results are continuing in 2022!

Today we get to take an opportunity to thank the Lord for all He has done. We want to remember all that has taken place. It’s an honor and a privilege to lead Morning Star Fellowship and to serve with a great team, both paid and unpaid. It really does take a lot of willing hands to keep everything in motion. Our volunteers are amazing! The Executive Leadership Team serves with a heart to see God glorified in all we do. The other Pastors on the team have made Theresa and I so proud and thankful. The support team including our Worship and Creative Directors are wonderful. When we are UNITED IN PURPOSE, God can do ANYTHING!

Our theme for 2022 is LIVE LOUD! Let’s do that together and make a difference in our world for Jesus!
